

James and Danielle Gullett serving with Mission Aviation Fellowship: April Update 20

*Greetings!*

It is a pleasure to write to you and update you on our work and training with Mission Aviation Fellowship. We hope this letter finds you well, and you are encouraged by our progress as you see what the Lord has been doing in our lives these past months.

### **Reflecting on March and April**

#### **James**

The last few months have been filled with lots of little things that need to be accomplished before we can go on the mission field. In March we had Security Training, where we spent 3 days enduring simulated car hijackings and the occasional ambush. But despite the intense and challenging environment we found it to be very useful training and actually quite a lot of fun. This last month I also had the opportunity to speak at my old secondary school, and update a few of our supporting churches. Turns out going to a remote part of the world involves a lot of paperwork and form filling, so that too has been part of our lives these last weeks as well!

#### **Danielle**

I returned to the UK in March for Security Training, but before I left the USA I was able to get a few more hours of Doula experience. However please be praying for more in the coming months, whether it be in the UK, USA, or even Arnhem Land, it is needed! I have also started the process of finding a job or voluntary role in Arnhem Land, please pray for doors to open.

## What do the next months hold for us?

Tomorrow (Wednesday 17th), we are headed to All Nations Christian College (ANCC) in Hertfordshire, UK. We will be there for a little under 3 months studying ANCC's intense Enroute course. The purpose of Enroute is to give us a broad range of Bible and cross cultural training that will be useful in Arnhem Land, and any further countries we will serve in with MAF. We are really looking forward to our time there, and we are excited that there will be several other MAF families on the course with us. During this period, we also plan on speaking at several of our supporting churches, and continue the necessary preparation for our deployment to Arnhem Land in October.

## How can you pray for us?

Praise God for all that has happened to get us on our way to Arnhem Land. Continue to pray for a smooth transition over the coming months as we leave the UK/USA.

Praise God that Danielle has obtained some practical Doula hours, please pray that more doors will open for her to get the remainder she needs. Pray that our time at All Nations will be really helpful, pray too that it will challenge us as we seek to best serve the Lord and the people of Arnhem Land with MAF. Pray that we will settle well this next week.

There is an opportunity for James to get some high performance aircraft and terrain flight training in Canada. Pray that all the practicalities would come together for him to do this later in the year before we depart for the mission field.

## Update on Finances

Thank you to all that have supported us through prayer and through giving. For most people this is the end of the financial year and so we wanted to update you on our financial situation too. Last year (Dec 2023) we met our MAF target of £21,500 which was so encouraging, this year the figure increases to £25,000, and this will be the set figure we continue to raise each year with MAF. We are currently a little short of this number as we project where we will finish out at the end of this year (Dec 2024), by approximately £2,000.

If you feel that the Lord is placing it on your heart to give please consider doing so through the link below. We are keen for supporters to give smaller amounts on a monthly basis instead of one lump sum, as this helps us predict where we will finish out at the end of each year.

It is such a blessing to be able to reach out and tell you more about my training with MAF and Danielle's medical studies, if you have any questions, please do email me at [james.gullett@mafint.org](mailto:james.gullett@mafint.org)

It is also really encouraging to know that you are praying for us, please do let us know how you are and how we can be praying for you.

Every blessing, James and Danielle
