

Remember someone special

With a Wings of Hope Tribute Fund

Setting up a Wings of Hope tribute fund is such a special way to help our aircraft take flight. We are so grateful that you have thought about us at this difficult time, and hope that celebrating the life of your loved one in this way brings you great comfort.

Your kindness means that your loved one will be part of God's amazing protection and provision for some of the most isolated people on earth, so thank you.

How can I use my Wings of Hope tribute fund?

An online tribute fund is an amazing way to tell your loved one's story. Filled with memories, photos and tributes, we pray it will become a place of great comfort to you.

Connect

We appreciate that it can be difficult to share your sad news. So, with a tribute fund page, you can post funeral details online which can then be passed on to friends and family.

Wherever they are in the world, people can connect with you through your page.

Share

Anyone can share their special memories, meaning that the joy and laughter your loved one brought to all who knew them lives on. You can choose to light candles on special anniversaries and hold events in their memory.

Support

A tribute fund also gives family and friends the opportunity to support MAF and continue your loved one's passion for our work.

Through your kindness, they will continue to enable our pilots to reach some of the remotest communities on earth.

A Wings of Hope tribute fund page provides a lasting memorial to those we've loved and lost.

Laura's story

'My father worked with MAF for more than 28 years — first in Ethiopia, where he was a pilot, and then later in the international head office in Ashford.

'He absolutely loved his time working for MAF. I just felt that setting up a tribute fund in his memory would be a really wonderful way of honouring him, and I like to think that he's really chuffed that I've done this to support MAF.

'The thing I really like about setting up a tribute fund is that it's very easy to do and you can share your favourite memories there. You can encourage other people to support the Wings of Hope tribute fund as well.

'I found it gave me great comfort and great hope, and it still does, knowing that I'm supporting MAF in Dad's memory.

'Having a tribute fund has been a really important part of my journey, and it will be an important part of yours too.'

Seeing your fund grow

We've often been told how helpful it is to focus on something positive like a Wings of Hope tribute fund during such a difficult time. It can be hugely encouraging to see your fund grow and know that your loved one is continuing to make a real difference to the work of MAF.

There are many ways to help your fund grow, but here are just a few ways you could honour your loved one's memory.

Take on a challenge

Hold a coffee morning or quiz

Ask for donations for birthdays or special anniversaries

Share your Wings of Hope tribute page link with friends and family

In 2022, we continued serving some of the most isolated people on earth, but we couldn't have done it without the amazing support of people like you and your loved ones.
