

BEYOND THE FOUR WALLS

WELCOME TO OUR

First Newsletter!

Joining MAF

Can you believe we have been with MAF for a month now?! Last year involved a series of interviews along with discernment to see whether or not MAF was a door we were to walk through. The result.. we're moving to Papua New Guinea! We hope to be in country by the end of the year or early 2025.

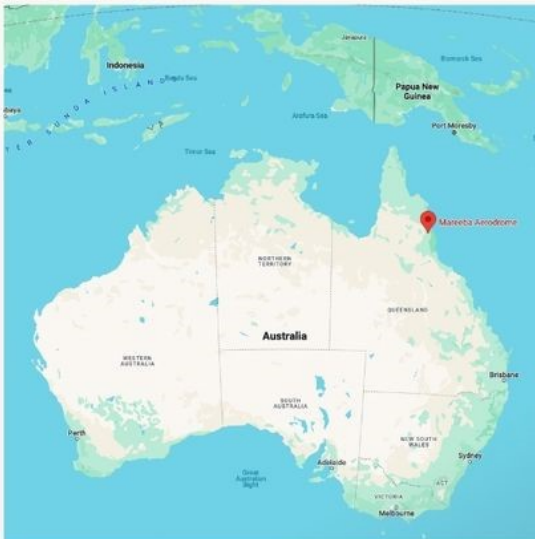

In April we visited MAF UK headquarters in Folkstone and were introduced to all the team.

Starting All Nations

We have been here at All Nations College for two weeks! Our En-Route course is for 10.5 weeks. The kids are settling into a new nursery while Richard and I become students again! We are both really enjoying the material in our lectures and living in close community with so many other like minded individuals.

So what next?

- July - MAF Orientation
- August - PNG Visit (Richard and Christine)
- August/ September - Flight Training in Mareeba (Richard)
- October/ November - Selling house, cars, furniture!
- End of year - Move to PNG

Prayer Requests

- We have started raising support! We are required to raise £25,000 a year. This seems big but God has called us so we are trusting in Him. If you would like to partner with us financially than please do reach out to us.
- We are selling our house. Prayers for the right family to purchase it and in the right timescale.
- Eloise and Rupert are going through a big adjustment. Please keep them in your prayers as they navigate all their feelings and emotions.
- PNG is a high security country. Prayers for us as we hope to travel for a visit in August.
